IMPORTANT - ENTRY TO ALL JAZZSEA VENUES ON THIS CRUISE WILL BE BY BADGE ONLY. NO EXCEPTIONS!

We are pleased to present our 2010 JazzSea Caribbean Cruise Party with these world-class Dixieland jazz bands and special guest artists.

The Climax Jazz Band from Toronto has been aboard for over a dozen JazzSea cruises. Their popularity ranges from their local hangout in Toronto (The Chicken Deli) to festivals on the West Coast.

The Grand Dominion Jazz Band has sailed with JazzSea for over 12 years and brings an international US/UK style of jazz aboard ship. They regularly headline jazz festivals from coast to coast and abroad.

The Bob Schulz Frisco Jazz Band has played their "*West Coast Style*" Dixieland jazz aboard JazzSea cruises for 12 years and have attracted a strong following of fans from all corners of the country.

The Coast-To-Coast Jazz Band featuring ex-High Sierra cornet player Al Smith and ex-Buck Creek clarinet player John Skillman, along with other world-class musicians. This great new band is beginning to gather new fans and followers from coast to coast.

Tex Wyndham, aboard once again, will entertain us with piano, cornet and his knowledge of early jazz. His "*History of Jazz*" musical lectures will fascinate and educate.

Tim Allan joins us again to entertain us with his banjo virtuosity and will conduct our *Banjos Aweigh* sessions for passengers who bring their instruments to play and sing along.

Dick Williams has directed our *JazzSea Jammer* sessions for many years. Bring your instrument and get in on the fun of playing with your fellow JazzSea passengers. You won't be disappointed!

JazzSea Jazz Workshop-At-Sea. Polish your musical skills aboard ship. Our faculty of professional musicians will guide you through classes and sessions that will educate and enlighten as they help you become a better player.

SPECIAL NOTE

If you have access to a computer, we encourage you to visit the Celebrity Cruises website (<http://www.celebrity.com/>) to see what this new cruising experience will be all about. And while you're there, visit the Equinox page to get further information on this cruise line and ship (cabin accommodations and deck plans).

We think you'll be as impressed as we are!
